## Glazmataz Size Reference

### Glazmataz

Glazmataz is a new concept in wine glass racks developed by Village Cellars. Glazmataz's highly elastic material and special shape absorb impacts on the glass, dramatically reducing the breakage rate when washing, carrying and storing delicate glasses in Glazmataz.

There are two sizes of Glazmataz, S for small glasses (colour: green) and L for large glasses (colour: grey). The minimum unit for both (1 unit) holds 2 glasses. By assembling, connecting and stacking extra units as required, you can efficiently use available space to safely store glasses.
