ALMA FRIA

PLURAL
PINOT NOIR
SONOMA COAST

Our 2021 Plural Pinot Noir is classic West Sonoma Coast, highly perfumed, precise, transparent yet full of flavor. As we have said before, most of our Plural wines are purchased award winning restaurants because they are easy to pair with food and their quality exceeds their price. Enjoy!

Taste

Red raspberry, black cherry, and tangerine pith flavors merge like tributaries forming a larger, more iconic river. Aromas are reminiscent of young Douglas fir needles that were harvested early and damp. The mouthfeel is seamless, persistent, and transparent. Tasting this wine quickly becomes a wonderful memory as it almost evaporates in the mouth.
