

MOUNT LANGI GHIRAN

The 2015 MOUNT LANGI GHIRAN Cliff Edge Shiraz is 100% estate grown, showcasing the Shiraz vine's affinity for the granite slopes of Mount Langi Ghiran.

The 2015 vintage provided near perfect conditions for grape growing. A long dry Summer with warm days and cool nights resulted in slow and steady ripening, ideal for producing Shiraz of distinctive character with immense complexity and spice. Small batches and an array of winemaking techniques, including a portion of whole bunch fermentation, accentuate the subtle nuances of florals and spice found throughout the vineyard, creating a wine with individuality.

Mount Langi Ghiran - 2015 Cliff Edge Shiraz

“...bright red and black berries intertwine seamlessly with subtle oak”.

TASTING NOTE

Colour: Deep purple with crimson hues.

Aromas: Vivid red, black fruits perfumed with blue florals and bountiful spice.

Palate: Supremely elegant and supple, this restrained and deeply layered red has heady perfumes of pristine blue florals and pepper scents, bright red and black berries intertwine seamlessly with subtle oak notes. It's long and persistent, underpinned by fine, chewy tannins finishing with mouth-watering freshness.

Cellar: Drink now until 2025
