## LOTE ESPECIAL BONARDA

---

Bodega Colomé, since 1831, is the oldest working winery in Argentina. It is located in the Upper Calchaquí Valley and has 4 Estates between 1700m and 3111m, the highest altitude of Argentina, making Colomé a unique project in the world.

Altitude, as it generates microclimates and varied terroirs, is a factor that distinguishes Salta from the rest of the regions from Argentina and worldwide and translates into outstanding expression and diversity in our wines.

## TASTING NOTES

---

“The Bonarda variety is very popular in Argentina, especially in Mendoza. The idea of this Special Edition is to show another expression of this variety from Colomé Estate vineyards at 1700 meters”, says our winemaker.

Ruby colored with purple hues, the nose highlights black and red fruits with a spicy mint. Concentrated and complex, it is fresh, with good volume on the palate.
