*A lighthearted take on Rosé, the 2020 Beads Pet-Nat is lively, with vibrant acidity and a delightful gentle fizz. Behind its watermelon pink hue, fruity notes of bright peach, fleshy red apple, and ripe strawberry spring forth. A pleasant cider-like fermentation funk deftly mingles with hints of key lime and rose potpourri, leading to a refreshingly bone-dry finish. Enliven an evening with this joyful, delicate sparkler—exciting by itself, or paired with smoked salmon or warm baked brie.*

A satellite project from the folks at County Line Vineyards, the Orfin Lotts series is a vinous exploration of styles and traditions featuring eclectic natural wines from California's North Coast.
