

### **2019 Fire Gully Sauvignon Blanc Semillon**

A very cool summer with 55mm rain in January and then 25mm on 7<sup>th</sup> March. Semillon was particularly affected requiring rigorous selection . All fruit was hand picked with multiple picks from 27/02/19 to 1/04/19. Then chilled to 5 degrees and then bunch sorted by hand.

100% whole bunch pressed using modified sparkling wine cycle.

Pure yeast culture at low rates and all fermented in stainless steel.

Bottled 23/9/19 .

One filtration only at bottling.

Varietal Content: Sauvignon Blanc 90%

Semillon 10%
