## ANNIE'S LANE ADELAIDE SHIRAZ

*In winemaking's early days, the local community would come together to help each other in busy times of the season. Local legend Annie Wayman in her horse drawn cart, would deliver lunch and hot drinks to pruners in the vineyard before following the lane back to her cottage nestled amongst the vines.*

*Adelaide Shiraz, by Annie's Lane, displays rich aromas of cassis and blackberry with subtle spicy notes. The palate is smooth and plush with rich plum and dark berry characters, with long, silky, and elegant with fine tannin structure.*
