

Chambers Rosewood Vineyard

P O Box 8, Rutherglen
Victoria, Australia 3685

TASTING NOTES

Rutherglen Muscat

The youngest of our popular muscat range, this has orange-bronze colour, is slightly viscous and has fresh aromas, often likened to quince and citrus. Rich and spicy, the nut, coffee and black cherry flavours keep building upon one another to finish explosively with more cherry, caramel and coffee notes on the long finish. Serve with desserts, cheese, coffee or a with a slice of fruit cake.

1563

Rutherglen Tokay

The Muscadelle grape from which this wine is made flourishes in Rutherglen. Our non-irrigated vineyards produce fruit of very concentrated flavour, which make a rich, fortified wine, unsurpassed anywhere in the world. Sweet with a core of walnut flavours gaining complexity with exotic spice and orange peel overtones, finishing sweet and smoky, with a sense of elegance. It can be served as an aperitif or is wonderful with sticky date pudding or other rich desserts.

2029.

1991 LBV Port

This is a single vintage of Shiraz from our 90 year old vines on the Neilson block fortified with neutral spirit, matured in oak before being bottled in 1996. It is full bodied with a lingering finish and is ready for drinking now, or further further cellaring.
